**AUCKLAND  
HERITAGE  
FESTIVAL**

The Dawoodi Bohras are a Muslim Community who follow the Shia Ismaili Taiyyebi faith.

Their community centre, Vahihi Markaz, was established in West Auckland in 2009 and is used for their religious and cultural activities. The centre is an example of how new migrants to the country are starting with a centre where they can meet, pray and gather as a cultural and religious community – and at the same time practice outreach to the wider community.

Exhibition: 5 stalls to introduce visitors to their community.
